## SUMMARY

Digital marketing, brand and project management professional with 7+ years across the UAE and Myanmar, combining brand strategy, performance marketing, e-commerce, content and digital transformation. Currently manages brand, e-commerce and digital marketing across a 42-brand beauty and skincare portfolio in Dubai — developing partner strategy, running digital channels and improving paid-media efficiency. Track record includes cutting paid-media spend 60% while lifting ROAS from 2.88x to 6.38x, launching 5 UAE businesses, rolling out POS across 120+ retail stores, and building digital products and communities from concept to market.

## EXPERIENCE

### Project Manager — Brand, E-commerce & Digital Marketing

Nov 2024 – Present

**BDINC by The Fashion Incubator LLC** · Dubai Design District, Dubai, UAE

- Manage brand, e-commerce and digital marketing across a portfolio of 42 beauty and skincare brands.
- Ran end-to-end development and operations of the Curate Phygital Store — brand onboarding, digital presence and commercial execution.
- Lead marketing strategy, content and media planning for 7 partner brands across digital and e-commerce channels.
- Manage activity across Amazon, Noon, Meta and TikTok, aligning channel execution with brand and commercial goals.
- Cut paid-media spend 60% while improving ROAS from 2.88x to 6.38x.
- Produce brand analyses, competitor research, product benchmarking, campaign strategy, presentations and marketing SOPs.
- Coordinated a Carmex brand activation reaching 3,000+ attendees, from planning through execution.
- Integrate AI-assisted workflows into research, planning and marketing operations to improve efficiency.

### Digital Marketing Manager

Oct 2022 – Oct 2024

**Lead Project Management Consultancy Service LLC** · Dubai, UAE

- Led digital marketing and launch activity for 5 new UAE businesses — three restaurant concepts, a travel and tour agency, and a food truck.
- Developed go-to-market plans, digital strategy, campaign concepts and content direction for each launch.
- Managed creative production teams — videographers, photographers and graphic designers.
- Planned social and digital content to build awareness, generate enquiries and drive customer acquisition.
- Helped architect and deploy an e-commerce website, translating business requirements into implementation.
- Implemented a grocery POS solution to streamline operations and sales.

### Software Specialist — POS, Digital Solutions & Business Development Support

Apr 2019 – Sep 2022

**Tara Software System Co., Ltd** · Yangon, Myanmar

- Implemented POS software and delivered system training across 120+ retail stores.
- Managed onboarding, configuration, user training and post-implementation support for business customers.
- Supported B2B development through lead generation, qualification, demos and consultation.
- Built and ran an online POS-focused community that contributed to a 35% increase in sales.
- Resolved 1,000+ customer support cases, building strong needs-analysis and solution-delivery skills.

### Founder / Product & Growth Lead

Nov 2024 – Present

**Dubai Directory** · Entrepreneurial project · Dubai, UAE

*Community-driven platform connecting and supporting the Myanmar community in the UAE.*

- Took the project from concept through branding, positioning and market launch.
- Built the platform's brand architecture, community model and growth strategy, including its Google Play go-to-market plan.
- Built a 15-strong ambassador and influencer framework, directing 120+ content assets across digital channels.
- Generated roughly 500,000 organic reach in four months through community-led content and distribution.
- Lead product, marketing, content, partnerships and community-growth, in step with the wider product roadmap.
